

ARIA SR900

Product Data Sheet

MADE IN
FRANCE

Aria SR900 is a 2-way bipolar surround loudspeaker with the same acoustic characteristics as the other loudspeakers in the Aria range. Composed of two 5" (13cm) woofers with Flax sandwich cones, it provides very high-definition and natural sound. For the treble register, there are two aluminium/magnesium inverted dome tweeters with Poron suspension and a waveguide for a better control of directivity. Thanks to the Polyfix wall-mounting system provided, the compact SR900 loudspeaker is easy to integrate into your interior.

Aria SR900 Black Satin

Key points

- Exclusive Flax cone
- Exclusive TNF tweeter
- Speaker drivers developed and manufactured in France by Focal
- Very easy to install thanks to the Polyfix mounting system
