

CHORA CENTER

Product data sheet

MADE IN
FRANCE

Chora Center is the center speaker from the Chora line. It perfectly completes your Chora Home Cinema system. Thanks to its Aluminium/Magnesium tweeter and its two Slatefiber Midrange/Bass speaker drivers, it reproduces the dialogues in your films with exceptional clarity and level of detail. The base improves the sound image for increased immersion.

Base for tilting the loudspeaker

Magnetic grille

Key points

- Center speaker for a complete Home Cinema system
- Slatefiber technology: clear and precise voice reproduction
- Base supplied with the loudspeaker: better sound image
- Available in 3 finishes to blend seamlessly into your living space
