

ELAC
Carina CC 241.4

ELAC The life of sound.

A New Classic

ELAC Carina CC 241.4

Developed from the renowned award winning 240 series.

Jet Folded Ribbon Tweeter
ELAC's JET tweeters enthrall with its lightning-fast response and wide dynamic range, offering minimal distortion, lots of headroom and a wider frequency range.

Sophisticated Compound Curvature Aluminum Woofer
To match the capabilities of the JET tweeter the compound curvature cone has been developed to control the cone breakup and move it well beyond the operating range of the woofer.

An eye on tradition and modernity: in the development of the Carina series, the success of series 240 was acknowledged and, at the same time, the view of modernity was addressed. JET tweeters, special woofer chassis, elaborate crossovers - the goal was from the beginning a powerful, rousing and at the same time natural, dynamic sound.

All this is offered by the Carina series and, in addition, a fresh, elegant look with silky matt finishes.

ELAC

Carina CC 241.4

SPECIFICATIONS

Type:	3-way Vented box
Woofers:	1 x Aluminum cone 5-1/4"
Midrange:	1 x Aluminum Cone 5-1/4"
Tweeter:	JET folded ribbon
Crossover frequency:	100Hz / 3kHz
Frequency range (IEC 268-5):	50Hz – 30kHz
Sensitivity:	87dB/2.83V/1m
Recommended amplifier power:	30 to 200 wpc
Nominal Minimal Impedanz:	6 Ohm / 4,8 Ohm
Peak power handling:	120W
Nominal Minimum impedance:	6 Ohm / 4.8 Ohm
Finishes:	Satin Black, Satin White
Net Weight (each):	22.44 lbs / 10,17 kg
Dimensions (HxWxD):	08.34 x 24.41 x 7.79 (212 x 620 x 198 mm)
